I have a dream that one day this nation will rise up and live out the true meaning of its creed: We hold these truths to be self-evident that all men are created equal.

I have a dream that one day on the red hills of Georgia the sons of former slaves and the sons of former slave owners will be able to sit down together at the table of brotherhood.

I have a dream that one day even the state of Mississippi, a state sweltering with the heat of injustice, sweltering with the heat of oppression, will be transformed into an oasis of freedom and justice.

I have a dream that my four little children will one day live in a nation where they will not be judged by the color of their skin but by the content of their character. I have a dream today!

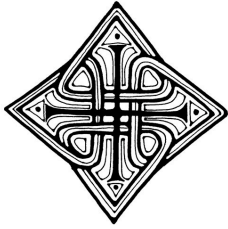

I have a dream that one day, down in Alabama, with its vicious racists, with its governor having his lips dripping with the words of interposition and nullification; one day right down in Alabama little black boys and black girls will be able to join hands with little white boys and white girls as sisters and brothers. I have a dream today!

I have a dream that one day every valley shall be exalted, and every hill and mountain shall be made low, the rough places will be made plain, and the crooked places will be made straight, and the glory of the Lord shall be revealed and all flesh shall see it together.

This is our hope. This is the faith that I will go back to the South with. With this faith we will be able to hew out of the mountain of despair a stone of hope. With this faith we will be able to transform the jangling discords of our nation into a beautiful symphony of brotherhood. With this faith we will be able to work together, to pray together, to struggle together, to go to jail together, to stand up for freedom together, knowing that we will be free one day. And this will be the day, this will be the day when all of God's children will be able to sing with new meaning, "My country 'tis of thee, sweet land of liberty, of thee I sing. Land where my fathers died, land of the Pilgrim's pride, from every mountainside, let freedom ring!" And if America is to be a great nation, this must become true.

Excerpt from Dr Martin Luther King Jr's speech Aug 28 1963

CROSSPATHS

Here at the beginning of September, I can just feel the energy and the movement of God's Spirit in the congregation. When Dave and I returned from vacation, you were in full swing with "Six Weeks of Compassion." The adult Bible Study was engaging in passionate discussion and sharing of our lives. The Compassionate Listening group was ready to invite each other to a new depth of sharing and hearing each others' stories. The Stewardship and Outreach Ministry was getting ready for autumn and Reconciliation, while still coordinating Disaster Relief buckets. You were caring for each other through visiting and prayer and caring for those who are ill and facing losses.

On the first Sunday morning after we returned, you poured out your prayers in worship with the freedom and abundance of those who trust God with your lives and who carry those in need to the healing presence of Christ. It is, as always, a gift to be home to the faith of this community of Christ!

This is that exciting time of year when we are offered new opportunities for ministry. We come back together from the scattering schedules of summer. New friends come to us from SLU and Wash. U. and the neighborhood, and from across the city. On September 8, we will welcome our new Student Assoc. Pastor, Josh Privitt, from Eden Theological Seminary.

In the weeks to come we will listen for the interests and needs of the congregation as we decide what group or classes we'll begin this fall and winter. And we'll continue to listen for the needs of the community and the world that meet the gifts and energies we have to share.

Choir is beginning and we would love to involve people with any and all musical talents in the creation of worship. "Children, Worship and Wonder" will begin on September 8, offering a new year of nurturing each child's inherent sense of worship and relationship with God.

One of the true gifts is that you have poured out your hearts in stewardship this summer. Knowing the challenges of living out our ministry in this time, many of you have worked to catch up, keep up, and even grow in your giving for our ministry. We have blessed by special gifts from those who love and value this congregation.

I pray that this in this coming year, we will only strengthen in our commitment to embody the radical hospitality of Jesus Christ through this community of faith. We will grow in faith and in ministry to the degree that *we – all of us* – makes a new commitment to be present to each other, to those who beyond our walls, and to God in worship and prayer.

Please join us in worship! Jacque

Thank You . . .

- to **Dennis James** for his beautiful work in completing the refurbishing of the Peace Pole
- to **Jan and Larry Kreuger, Dennis James and others** who have worked this summer to keep the church yard and gardens beautiful. Thank you also to **Dave Boger, Dennis** and all who helped put in new garden benches.
- to **ALL** who helped to rearrange classrooms to get ready for the fall beginning of classes. We needed more nursery space and so moved the nursery *again*. (*What a great "problem" to have!*)

WELCOME!

On Sunday, August 25, we welcomed **Tom Litton** as he reaffirmed his faith and claimed Compton Heights CC as his church home. Tom has already become a part of our worship and community life and we celebrate this new commitment. *This is a double celebration as we look forward to Tom's marriage to Kim Miner of our congregation wedding on September 7th at the Botanical Garden. Blessings to Tom and Kim!*

Infant Massage Class - Tuesdays, September 3 – Oct 1, 7:00 – 8:30 pm

Gerry Rauch and Maureen McCuen, Infant Massage Educators, will teach an Infant Massage class at Compton Height CC this fall. We are grateful to be one of three sites in the St. Louis metro area for these wonderful classes. If you know parents who may be interested in this or future classes please share this information.

Parents are taught to massage their babies while instructors demonstrate on dolls. Infant massage offers a number of benefits including: improved sleep, relief of muscular pain, stimulating brain development, reduced stress for both infant and caregiver, helps gas, colic, and digestion issues, learning the art of being present to your baby, learning to read your baby's cues, gaining confidence in parenting skills, and meeting other parents.

Classes cost \$75 per 5 week session. Gift certificates are available. See poster on bulletin board for other sites and times for classes.

Hello Compton Heights Christian Church!

My name is Josh Privitt and I will be joining you this fall through spring as your contextual education intern. I am so excited to be doing ministry with you all this coming year and thought I would just offer a little bit about me before we officially started ministering together. The first thing you **MUST** know about me is that I am a diehard Missouri Tigers fan. Well ok, maybe this isn't a must, and certainly not the most important thing about myself, but it's up there. I was born and raised in Columbia, MO (the home of the Tigers) and thus love any and all sports involving that fierce animal. What is certainly the most important thing in my life for you to know currently though is that I am married to the love of my life and life-long companion, Allison Privitt. We have been married for a little over two years and I would not change that for anything in the world. Besides those two little tidbits, I am a runner, a musician, love reading a good book, love playing any sort of board/card/other game, am an extrovert, and if I had to label my beliefs about God I would say that I am a Liberation Theologist with Post-Modern tendencies.

I am so excited about having the opportunity to join in the ministry that you all are doing at CHCC, but I think I am the most excited to see just how the connection with multiple groups works. The ministry you all do with multiple churches using the building and Isaiah 58 Ministries was something that set you all apart in my mind. The wide variety and strong presence of doing ministry outside of the building and country is something that I am especially energized about as well. Not only that, but I particularly look forward to working with one of the ministry groups that you all have working. I am pulled towards the Faith Sharing and Teaching group currently, but I am more than open to other "pitches" from any of the other groups.

Well, I think that's about it for now. I so look forward to meeting you all soon, and don't be too surprised when a tall, lanky, guy with glasses (or not) walks in sometime soon.

Josh

Compassionate Listening Practice Group

Our next Compassionate Listening Practice Group sessions will be on **Thursday, September 19, 6:30 – 8:30 pm** in the Church Library. You are invited to join in at any time. This group will meet on the Third Thursday of each month. Please join us!

Fall is here and Choir is beginning! A special thanks to all those who have shared your gifts to lead us in worship with special music this summer! As the Choir has taken a well-deserved summer break, we have been blessed by solos, duets, special instrumental music, and our once-a-month "Summer Sunday Choir." *On September 1, we will have our final "Summer Sunday Choir" gathering at 9:00 AM to prepare music for that day. Then our regular Choir practice begins again at 12:30 pm on that day.* Each Sunday we will meet at 9:00 AM to warm-up and prepare for the day's music. Choir practice will be from 12:30 to 1:30. *The choir is a wonderful group and is vital to the worship life of the congregation! Please come with your gifts, whether vocal or instrumental!!*

Six Weeks of Compassion!

Each year we celebrate and give to **Week of Compassion** which is our Disciples of Christ Relief and Development ministry working in crisis situations throughout the world. Our work is extensive, deep, and ongoing in cooperation with Church World Service and with ecumenical and interfaith partners in every place. When tornadoes, hurricanes, or floods devastate communities in Joplin, MO, or Moore, OK, or Japan or Africa or Latin America, *we are there*. When war destroys communities and lives, we are there. We always say that “Week of Compassion” is more than a “week”; it is year

‘round Compassion with a week of special emphasis for our giving. **THIS** year, we had a Summer Mission focus called “**Six Weeks of Compassion**” which extend from **July 28 through September 1**.

In addition to the WOC Offering, we responded to WOC’s call for needed **Emergency Clean-Up Buckets** for Church World Service (CWS) and we gathered Paper Product Packs for distribution through the Festival of Sharing in Missouri this fall. **What a wonderful response during this time!**

Once again our Outreach and Stewardship Ministry Group is providing us with WEEK OF COMPASSION UPDATES to help us follow our year-round Disaster, Relief, and Development ministries throughout the world. Next to the library doors see the new **Week of Compassion World Map** with our mission responses marked with map-pins. The **RED PINS** mark places of Emergency Disaster response. The **YELLOW PINS** mark the places of ongoing recovery and development. The list of places and projects is located next to the map.

The 2013 RECONCILIATION OFFERING will be received on September 29th and October 6th. The Special Offering is used to fund our Church's mission priority to become an pro-reconciling/ anti-racist church through experiential education, inclusive worship and intentional dialogue across racial/ethnic difference. Funds from this offering are providing for leadership development in our camps, our communities and our congregations as well as providing resources to promote small group study and community-action. Your giving is changing lives and building hope for realm of God for our children and for Christ's Church! WE STILL HAVE A DREAM! AND WE HAVE THE COURAGE TO LOVE BOLDLY!

In July, when our Christian Church (Disciple of Christ) General Assembly gathered in Orlando, one of the resolutions accepted and approved by the Assembly was this resolution helping to move us as a denomination deeper in our embodiment of God's Grace and Welcome to all. As an Open and Affirming congregation, we have studied human sexuality and our faith. We already welcome and celebrate the gifts of lesbian and gay people in our midst and in our ministry. Yet we are always seeking ways to live our faith more deeply and more compassionately. Thanks be to God for this movement forward by the General Assembly! *How might this resolution encourage us to express our oneness more fully?*

GA-1327 (Sense-of-the-Assembly)

BECOMING A PEOPLE OF GRACE AND WELCOME TO ALL

WHEREAS, "We are Disciples of Christ, a movement for wholeness in a fragmented world," called to welcome others as we have been welcomed by God¹ and to practice hospitality to one another,² as well as to strangers;³ and

WHEREAS, Scripture affirms that all people are created in the image of God and share with all others in the worth that comes from being unique individuals;⁴ and

WHEREAS, Scripture affirms that as Christians we are many members, but are one body in Christ each with different gifts, called by Jesus to love our neighbors as ourselves,⁵ and called to the ministry of reconciliation and wholeness within the world and within the church; and

WHEREAS, Disciples historically affirm baptism as the primary call to ministry and offer baptism to all who profess their faith in Jesus Christ as Savior; and

WHEREAS, Disciples historically profess that the nature of Christian discipleship is profoundly informed by the Lord's table, which is central to the act of worship, calling attention to the radical hospitality extended by Jesus, who welcomes all to the table of grace; and

WHEREAS, the Disciples' movement came to be in reaction to limitations being placed on this welcome, recognizing that excluding anyone from the Lord's table fragments the body of Christ; and

WHEREAS, the 1997 General Assembly of the Christian Church (Disciples of Christ) called for the church to give continuing research and reflection "concerning the participation of gay and lesbian persons in the full life and ministry of the Church";⁶ and

WHEREAS, persons continue to be devalued and discriminated against within society and more sadly, within the church because of their sexual orientation and or gender identity; and

WHEREAS, Disciples find identity at the Lord's table, sharing as the body of Christ, valuing each other in covenantal relationship even when we disagree; and

WHEREAS, Disciples historically affirm that individuals and congregations hold differing interpretations of scripture, but that all are called to transcend differences and claim one another in Christian unity;

THEREFORE, BE IT RESOLVED that the General Assembly meeting in Orlando, Florida, July 13-17, 2013, calls upon the Christian Church (Disciples of Christ) to recognize itself as striving to become a people of grace and welcome to all God's children though differing in race, gender, age, sexual orientation, gender identity, nationality, ethnicity, marital status, physical or mental ability, political stance or theological perspective; and

BE IT FURTHER RESOLVED that the General Assembly calls upon the Christian Church (Disciples of Christ) to affirm the faith, baptism and spiritual gifts of all Christians regardless of their sexual orientation or gender identity, and that neither is grounds for exclusion from fellowship or service within the church, but we celebrate that all are part of God's good creation; and

FINALLY, BE IT RESOLVED that the General Assembly calls upon all expressions of the Christian Church (Disciples of Christ), as a people of grace and welcome, to acknowledge their support for the welcome of and hospitality to all.
